

The Book of Fine Wines

Dear guest,

The Book of Fine Wines of The French Café is organized in alphabetical order and features major wine-producing countries and regions around the world.

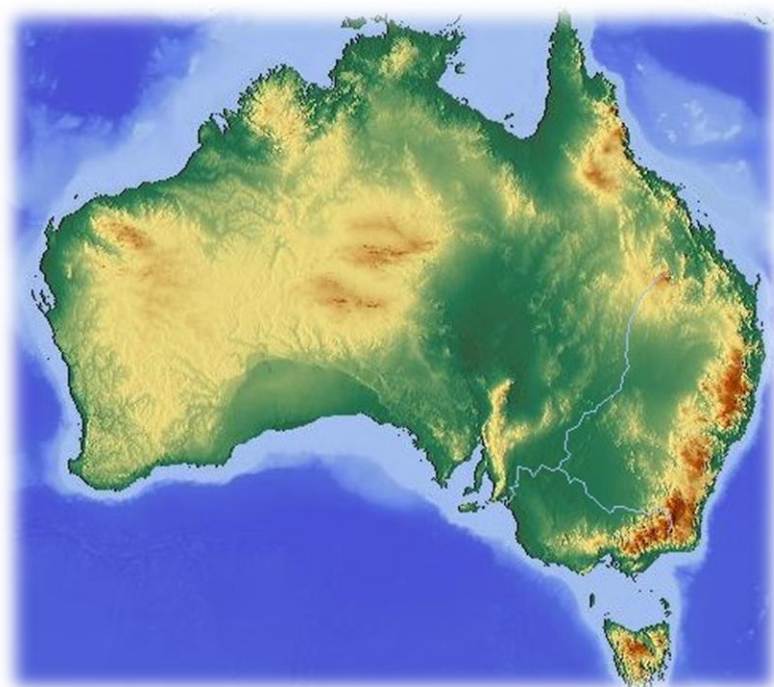

Our dedicated staff work tirelessly to complete the book, but it is to no avail. There are thousands of wine-growing regions, hundreds of thousands of producers, and millions of bottles of wine that undoubtedly deserve to be featured; ergo, it shall never be complete.

Each wine that is featured in the book may not have a pair in the cellar, please know that each wine may be the last in availability not only in The French Café, but around the world in general.

By choosing a bottle from The Book you are not only getting a delicious bottle of succulent vino, but a priceless piece of art that combines botany, soils, weather, time, and humanity as one.

Please sit down and enjoy the travel through lands and eras.
